PHIG PARTNERS

### Region 6 Proactive Technical Assistance Opportunity

Building Umbrellas of Relational Strategies With Your Community

From June to November 2024, the Region 6 Innovation Hub will host a **webinar series**, facilitated by the **Public Health Institute of Oklahoma**, on topic areas designed to **support Region 6 Public Health Infrastructure Grant (PHIG) health departments and their community partners**. Opportunities for peer sharing and 1:1 technical assistance (TA) will also be made available.

Webinar 1: June 18, 2024, 2PM CT
Overview of the Umbrella of Relational Strategies

- Introduction to the webinar series and other TA offerings
- Best practices for community-led engagement
- Tools to address health disparities, ensure inclusion, and remove barriers for participation
- Focused on Foundational Capabilities A2.5 and A2.6

Umbrella image created by the OK Turning Point Council, OK Parent Partnership Learning Community, Public Health Institute of Oklahoma, Oklahoma State Department of Health's Office of Minority Health, and OK Children's State Advisory Workgroup's (CSAW) Trauma-Informed Coordinating Committee.

Additional Featured Topics
- Moving the needle on social drivers of health and health outcomes
- Contracts to engage populations with health disparities and increase community collaboration
- Quality feedback and removing barriers for participation
- Priority foundational capabilities for PHIG recipients
- Strong evidence for PHAB Accreditation

Who should join?
Region 6 health department teams who engage with community members and organizations in their work
